CLUB COMPETITIONS

The Rules of Golf and the local rules of Murrumbidgee Country Club are the rules of play for all competitions. A copy of the Rules of Golf is available from the MCC office.

The Match Committees are responsible for the supervision and control of all competitions, the settlement of disputes and the selection of teams. The Match Committees apply additional conditions of play for particular events.

To assist the Match Committees, members are requested to:

- familiarise themselves with all notices posted on the local rules board;
- remove their name from the competition, as far in advance as possible, if they have to withdraw from a club competition;
- be ready to tee off 15 minutes before their allocated tee time. Failure to do so may result in the member being relegated to the end of the field.

JOINING A COMPETITION

Members may join a competition for a Saturday or Sunday of the week following, by entering their details through the computer terminals in the clubhouse on Thursday afternoons from 5pm, or directly online through a home computer from 9pm on the same Thursday ie. the week prior to the competition date.

A membership number and pin number are required to join a comp.

Online entry to competitions are available through the website www.murrumbidgeegolf.com.au

Please seek help from the Front Office staff in the Club if you need assistance.

MARKING OF CARDS

Players are responsible for ensuring the score recorded for each hole on their card is correct and legible, their handicap is correct, and both they and their marker have signed the card. In 4BBB events the player scoring for the team on each hole must also be clearly identified.

The total score should be written in the appropriate areas on the top of the card.

On completion of the round, the player should log on at the computer terminal in the clubhouse and enter the scores from their card. The card is then placed in the appropriate results box. Note that this should be completed within 15 minutes following completion of the round. If a player does not do so, their score may not be included in the competition results and will be treated as having not returned a card (NCR).

If the player is in doubt about any matter, it should be checked with the Match Committee BEFORE the card is signed and placed in the box.

COUNT BACK

For competitions of 18 holes or less, the best score for the last nine holes of the course shall be used. If there is still a tie, the last six holes shall be used and if still tied then last three holes shall be used. If a tie still exists, then hole-by-hole scores shall be taken from the eighteenth hole. For competitions of more than 18 holes, the best score for the last 18 holes is used. If there is still a tie, the last 9 holes is used and then proceed as above for competitions of 18 holes or less.

MODES OF PLAY

Terms used in the Calendar of Events such as Stableford, Par or Medley refers to the particular forms of play described in the following paragraphs.

Stroke: In a stroke competition, the number of strokes taken at each hole is entered on the scorecard and totalled to give the player's gross score.

To calculate the nett score, the player's full handicap is deducted from the gross score. In women's stroke events, the number of putts taken at each hole is also recorded on the scorecard.

Par: In this competition, the par for the hole printed on the scorecard is adjusted to take account of the player's handicap. For example, if the player's handicap is 18, they are allowed 1 extra shot at each of the 18 holes. If the player's handicap is 28, they are allowed 1 extra shot at every hole (18) plus another shot at the 10 hardest holes.

The difficulty of the holes, the “index”, is shown on the scorecard, with the most difficult hole being index 1 and the least difficult, index 18. If the player completes the hole in their allowed number of strokes, they have “squared” the hole and score “0”. If the number of strokes taken is less than they are allowed, they score a plus “+” and if the number of strokes taken is more than they are allowed they score a minus “-”.

To speed up play, once the player has exceeded the number of strokes allowed, they should pick up their ball as they can’t improve their score. At the end of the round the plus and minus scores are added and the result is written at the top of the card. The scorecard must show the number of strokes taken at holes where a “0” or “+” is scored.

Stableford: In a stableford competition, handicaps are taken into account in the same way as for PAR, but instead of scoring a “+” or “-”, points are scored. If the player completes the hole in one more stroke than they are allowed they score 1 point; if they complete the hole in the number of strokes allowed for their handicap, they score 2 points. If the player completes the hole in one less than the number of strokes allowed, they score 3 points, two strokes less they score 4 points and so on. At the end of the round all the points are added and the result written at the top of the card.

As with PAR events, the scorecard must show the number of strokes taken at holes where points are scored. To speed up play, the player should pick up their ball when they are no longer able to score points on a hole.

Scratch Stableford: Points are scored at each hole as in stableford but no additional strokes are allowed to take account of handicaps.

Eclectic: An eclectic competition is run over the calendar year for the men, and from February to September for the women. A minimum of two rounds is required and the lowest score obtained for each hole is recorded. A percentage of your handicap is applied for this event.

Four-ball Best Ball (4BBB) Stableford: The Stableford system is used for this competition. Two players play as partners; the hole is played by each of them using their individual full handicaps. At the completion of the hole, the player recording the highest number of points has his or her score entered on the card.

If both score equally the player who first completed the hole shall be recorded. To speed up play it is customary to pick up once it is impossible to better your partner's score.

Four-ball Best Ball (4BBB) Stroke: 4BBB Stroke is played along similar lines as the 4BBB Stableford. Two players play as partners, using their full handicaps. After completing the hole, the best nett score after taking the hole index into consideration, is recorded. For example, player A has a handicap of 8 and player B a handicap of 17. Both players have 4 strokes on a hole with an index of 11. Player A would have a 4 nett 4 while player B would have a 4 nett 3 after index is taken. Player B's score would be recorded.

Four-ball Best Ball (4BBB) Match Play: Reduce the stroke play handicaps of all players by the handicap of the lowest marker, who will then play off scratch. Each of the other three players is then allowed their resulting handicap with strokes at the holes indicated in the match play index.

Foursomes: Two players play as partners and use one ball. The players take it in turns to play from the tee and thereafter play the ball alternately during the play at each hole. Scoring is completed as for stroke and the total is reduced by half the aggregate handicap.

American Foursomes: Played in the same manner as Canadian Foursomes except that each player shall play their second stroke with their partners ball before selecting the ball with which to continue the hole on an alternate basis.

Canadian Foursomes: Played with a partner where both players tee off on all holes. They then decide which ball is in the best position and the other ball is taken out of play. If player A hit the selected ball from the tee, then player B will hit the next shot and vice versa. Play continues on an alternate basis until the hole is completed. Incurring a penalty shot does not affect the order of play.

Medley: Where both women and men compete in the same competition, with the women playing from the red tees and men from the blue or white tees.

Three Club Event: Only three golf clubs may be carried and used by the player. If a putter is used it is considered to be one of the three selected clubs.

Ambrose: Ambrose events can be played as a team of two to four. Handicaps are combined and then divided as follows: in a two person ambrose event the handicap is $\frac{1}{4}$ of the combined handicaps; in a three person event $\frac{1}{6}$ of the combined; in a four person event $\frac{1}{8}$ of the combined. Both players tee off and select the preferred ball. The second ball is placed adjacent to the selected ball and this style of play is continued until the hole is completed.

In a two person ambrose a minimum of six tee shots from either player must be used. In a four person ambrose a minimum of three tee shots from each player must be used.

HANDICAPS

Players' Golf Australia Handicaps are calculated and maintained centrally by Golf Link using competition data supplied electronically by member clubs. These nationally-standardised handicaps are based on the average of the player's eight best games out of their last 20. Handicaps can be checked, and more information obtained, by logging onto www.golflink.com.au .

Under the new handicapping system effective from 23 January 2014, the handicap used for competition play is the player's **Daily Handicap**. The Daily Handicap is the Golf Australia Handicap adjusted to take account of the Slope Rating for the course being played.

The maximum handicap for a man is 36 and 45 for a woman.

HANDICAP DIVISIONS

Where competitions are played in grades/divisions, they will usually be as follows but may be varied to allow for a more equal number of players in each Grade/Division:

Saturday Men's competition:

A Grade	up to 11
B Grade	12 to 18
C Grade	19 to 36

Saturday and Tuesday Women's Competition

Division 1	0 to 26
Division 2	27 to 45

Wednesday and Sunday Medley

Division 1	up to 12
Division 2	13 to 18
Division 3	19 to 45

HANDICAPS FOR NEW MEMBERS

To obtain a Golf Australia handicap, a player is required to submit 3 cards marked by a player who has a Golf Australia handicap. 'FOR HANDICAP' should be written on the card, with the player's membership number, the marker's name and Golf Link number and the card put in the appropriate box.

It is acceptable to submit cards from other courses.

GOLF LINK CARDS

The club will arrange for new members to be issued with a Golf Link card when they join the club.

This card should be produced on request and when visiting other clubs as proof of membership and handicap.

If a card is lost, a replacement can be obtained by contacting Golf Link direct on www.golflink.com.au. Golf clubs cannot issue replacement cards.

WINNING A COMPETITION

If you are a competition winner the value of the prize is credited to your membership card. If you wish your voucher value to be transferred to the Pro Shop you should advise the Pro Shop and it will be arranged. Competition result sheets are displayed in the club foyer together with the value of any prizes won.

A summary is published in the Canberra Times and also posted on the club website at www.murrumbidgeegolf.com.au.

EAGLE'S NEST

The Eagle's Nest is contested only on Par 3s and 4s on Tuesday, Wednesday and weekend club competitions. Players who wish to have their eagle recognised should fill in the relevant form located in the foyer and place it with their scorecard in the result box. Accumulated balls will be awarded to each player in recognition.

VISITORS

Visitors with a current Golf Link card and handicap are welcome to play in club competitions. The visitor or the member nominating a visitor should seek approval from the respective Men's/Women's captains or the General Manager before having their name added to the competition field. For non-competition or social rounds, approval may be sought by ringing either the office on 6296-2888 or the Pro Shop on 6296-2311. Visitors can not be added to the field via the on-line booking system.

PLAYING TIMES

The course is reserved at specified times each week for members to play in the club competitions listed in this Fixtures Book. Members wishing to play in these competitions should access the on-line booking system via the club web site www.murrumbidgeegolf.com.au and enter their name on the relevant time sheet. All players MUST check in at the Pro Shop before teeing off whether they are playing in a competition or not.

DISTANCE MEASURING DEVICES

For all play at this course, a player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc), the player is in breach of Rule 14-3.

MOBILE PHONES

A mobile phone may be carried but must be kept in silent mode. If it needs to be used, following agreement with fellow players, its use must not distract other players or delay play. Repeated use of a mobile phone in a manner inconsistent with this condition may result in a serious breach of etiquette under Rule 33-7 (penalty of disqualification) or breach of Rule 6-7 Undue Delay, Slow Play (loss of hole, 2 stroke penalty or disqualification).

MOTORISED VEHICLES

To use your own motorised vehicle on the course you must register your vehicle when your subscription fees are due, and complete an “Application for Use of Motorised Transport and Indemnity & Waiver of Liability” form (available from the office). There is no restriction on the use of motorised transport in either the men’s or women’s club events.

Care should be taken to minimise wear and tear on the course. **Motorised vehicles should not be driven:-**

- **Within 10 metres of the green**
- **On wet areas, muddy areas or GUR areas**
- **Within 2 metres of tees or bunkers**

Failure to comply with the above can result in disciplinary action from the Board or Match Committee

The club reserves the right to restrict the use of Motorised Vehicles when they would damage the course during Wet or Frosty conditions.

COURSES

The Murrumbidgee 18 hole course layout offers five separate sets of teeing position, as follows:

<u>Course</u>	<u>Length</u>	<u>Par</u>	<u>Scratch Rating</u>	<u>Slope</u>
Blue Tees - Men	6,470 mts	72	74	126
White Tees- Men	6,134 mts	72	73	125
Green Tees - Men	3,951 mts	71	62	99
Red Tees - Women	5,473 mts	73	75	127
Green Tees - Women	3,951 mts	71	64	108

SLOW PLAY

Players must play without undue delay. If players fail to keep their place in the field i.e., lose one clear hole behind those immediately preceding them, the players following have the right to go through. The players at fault **MUST** therefore make up the lost ground without delay, or call those following to go through.

A player or players causing undue delay or playing at a pace slower than that laid down in the competition conditions may be penalised in accordance with the Rules of Golf, rule 6-7.

The club will at times utilise the services of a Course Marshal. The marshals have the same authority as match committees and are there to ensure no slow play is encountered. Abuse of marshals will not be tolerated in any way and may result in penalties being applied.

COMPLAINTS

All complaints must be made in writing to the General Manager who, if unable to satisfy them, shall submit the complaint to the relevant committee or to the Board of Directors.

SCHEDULED EVENTS

The Men's and Women's Match Committees reserve the right to alter any event set down in the Fixtures Book. Every attempt will be made to adhere to the Fixtures Book but where circumstances require an event to be changed or cancelled, the Match Committees will endeavour to give as much notice as possible to the members.

ETIQUETTE

It is expected that members and visitors will abide by the accepted rules and etiquette applying to the game of golf. Particular attention to be drawn to the following:

- a. No one should move, talk or stand close to or directly behind the ball or hole when a player is addressing the ball or making a stroke.
- b. The player who has the honour should be allowed to tee off first in their group. If the players ahead are out of range, the player who has the honour should tee off before marking the card.
- c. No player should play until preceding players are out of range. Players should be aware of their capabilities when applying this principle

- d. All players should keep up with the group in front of them. Slow play can incur penalties from the Match Committees.
- e. Players searching for a ball should call the group behind through after five minutes.
- f. Players must carry and use sand buckets to repair divots through the green. Players must repair pitch marks.
- g. Before leaving a bunker, the player should carefully repair all damage caused by the impact of the ball, footprints etc. Rakes must be replaced at the bottom of the bunker with the handle pointing towards the line of play on that particular hole.

BEHAVIOUR

Golf is a sport of great tradition characterised by golfer's exemplary behaviour and fair play. No unacceptable behaviour will be tolerated and golfers must abide by the written and unwritten rules.

Unacceptable behaviour includes:

- Loss of temper
- Verbal abuse of officials or players
- Deliberately distracting or provoking other players
- Throwing clubs
- Shouting, swearing or making unnecessary noise
- Cheating in any form including manipulating scores and moving a ball to improve its lie
- Damaging or littering the course

PRACTICE

All practice is to be restricted to the practice facilities.
Players are not to:

- a. Play any practice shots to any putting green.
- b. Play any practice shots from a fairway.
- c. Play any practice shots from a tee block.

DRESS RULES

Dress rules apply at all times on the golf course and in the club house. The General Manager, or his representative, is the sole judge of what is acceptable.

Acceptable Attire

- Neat presentable at all times
- Predominately white ankle or sports socks
- Shorts, trousers or golf skirts with fitted or elasticised waist bands.
- Collared or turtle neck shirts or women's sleeveless collarless golf shirts.

Examples of unacceptable attire are:

- Torn, Ripped or soiled clothing
- T-shirts or singlet tops of any kind
- Board shorts or beach apparel
- Tracksuit pants
- Football jumpers, shirts or shorts
- Shoes with metal spikes

Members and visitors are to wear non-metal spikes during all rounds of golf. The penalty for breach of this rule is disqualification from the event.

Clubs and other golfing equipment are not permitted inside the clubhouse or on the veranda.

SENIORS

The MCC Seniors conduct a golf competition every Friday morning for players 55 years and over. On the last Friday of each month an 18-hole stableford competition is played for the Ron Skipper Trophy and, for those on higher handicaps, the Battlers' Bowl. On the other Fridays of the month a 9-hole stableford competition is played alternating each week between the first and the second nines.

The MCC Seniors Championship is conducted over 2 weeks in May each year. Eclectic competitions are conducted in the first and second halves of the year.

The dates of events for the seniors are included in this booklet and are on the MCC website and the notice board in the club.

For further details contact the Seniors President Dan Buckley on 0419 412 244 or by email at buckleyd@bigpond.net.au

GREEN (SHORT) COURSE

There is a Green (Short) Course competition held at MCC on Thursday mornings. The dates of events are included in this booklet.

For further details regarding the Green Course contact Sandra Fenwick on 0409 601 143 or email:

sandrafenwick@bigpond.com

SOCIAL EVENTS

Members are invited to support their Club by attending the many Social Events organised throughout the year.

Friday evening (except Public Holidays) is a regular social event with the Second Course Café open for dinner. Meat tray raffles, Putt for Cash, Countdown for Cash and Trivia are popular drawcards.

Watch the notice boards in the Clubhouse for details of many other social events.
