

## A Grade (Division 1)

An up and down day for our A grade pennant team who came up against a strong Federal team at Gungahlin on Sunday, unfortunately like many courses in the region, this summer has been very unkind to Gungahlin meaning finding any grass for a lie was challenging for all players (even with a club length relief through the green).

We had 3 outstanding come from behind games that were decided on the 18<sup>th</sup>, wins to Dat and Joey along with a square to Steve for a narrow loss of 2.5 to 3.5.

Next week we are against Goulburn at Federal where the Federal boys assure us they have grass.

Mick letting the big dog eat

Dat hoping his spikes work on the 18th fairway – they did

Steve with his second from a tight lie into the par 5 16<sup>th</sup>

Joey finding a patch and knocking it in tight on 18 for a no putt win

## **A Grade (Division 2)**

Our A Reserve pennant team played against Gungahlin at Queanbeyan on Sunday, the course was in great condition and the team played well. MCC won 5 games to 1 with Anthony playing great winning his match 8 and 6. Thanks also to Chris for joining the team and winning 3 and 2 in what was a great match.

Next week we play at Yass against Royal

L to R - Rowan Harrison, David Patterson, Wayne Hennock, Chris Rowe, Anthony Gavran & Marty Batchelor

## **B Scratch**

Another week of close matches with limited reward unfortunately, as the team came up against Yowani at Gold Creek. MCC went down 4.5 to 1.5 with a win to Peter Brown (1up) and a square to Christian Auzmendi being the highlights of the day.

L to R - Christian Auzmendi, Tony Lee, Luke Napier, Sean Ryan, Andrew Champion and Peter Brown

## **B Handicap (Division 1)**

Due to the bye, our handicap team had hosting duties this week and turned up to keep an eye on the competition and took it upon themselves to knock out a few sausages after the game for the other teams – well done guys.

## **Masters Scratch**

The Senior Scratch team kicked off their season last Thursday against Gungahlin Lakes at Yowani. Sadly we lost 4 - 2 with 3 matches going to the 18th hole. Ross Oakman had a first up win 8/6, George Morogiannis and Wayne Hennock drew their matches. Special mention to debutant Mike Steele who lost 2 down on the 18th against a seasoned veteran from Lakes. Off to play RCGC at RCGC this week, a tough assignment which will be a strong test for the old boys.

## **Masters Handicap (Division 2)**

The MCC team comprising of Peter Neill, Stuart Hayes, Chris Davison, Gary Fitzpatrick, Mick Stiles and Scott Langman played the team from Goulburn at Capital GC on Thursday 20 Feb. Most of the matches had close finishes with our team having a 1.5 to 4.5 loss.

The course was presented in a good condition and the games were mostly played in good spirit. The players were provided complimentary drinks by Capital. We have a bye next week as we are hosting the 8 teams at home.
