

## **Men's Pennants roundup for week ending 9 February.**

The new season have now started. B Scratch opened their season with a strong win 5 ½ to ½. The rest of the results were close, a couple of games either way would have changed many of the results.

A special mention to Peter Brown who turned 4 down at the ninth but clawed his way back into the contest and came away with a 2 up win, great result Peter, it's very rare to come back from 4 down to even get a square, let alone a win!

### **A Grade (Division 1)**

A Grade lost 4 1/2 to 1 1/2 against Gold Creek

Next week we play at Gold Creek against Queanbeyan.

### **A Grade (Division 2)**

Our A Grade Div 2 pennants team played against Belconnen on Sunday at Yowani, the course was in good condition with some great golf being played by both teams. We lost 5 and 1 David Patterson played great and won 4 -3.

Next week we play at Belconnen against Yowani.

### **B Scratch**

The B Scratch team opened the season against Queanbeyan at a VERY windy Yass course. We had driving rain for the first couple of holes but the remainder of the match was dry. The course is naturally showing the signs of a long dry spell with preferred lies through the green.

It was a great first outing with a dominant 5½ to ½ win.

Andrew Champion managed to square his match with wins to the rest of the team; Luke Napier 2&1, Sean Ryan 6&4, Peter Brown 2 up, Kar Yeow 5&4 and Tony Lee 3&2

Special mention to Peter Brown who turned 4 down at the ninth but clawed his way back into the contest and came away victorious.

Next week we play at Belconnen against Federal.

### **B Handicap (Division 1)**

Handicap pennants team competed against Yass on Sunday at Crookwell.

Considering the weather thus far this year the course was in good condition, but the weather on the day was atrocious with the wind gusting to 45k and sideways rain for the entire match, although there was some very good golf played by both teams.

Unfortunately, we were unable to overcome Yass who handled the weather better than us and we went down 5/1. James was the star of the day for us with a 3/2 win

and Peter only went down on the last. Steve, Keith, Dean and Ty performed well considering not having played at Crookwell before.

Next week we venture to Fairbairn to compete against Crookwell.

B Scratch team from left to right: Peter Wines, Steve Annan, Keith Rowe, Ty Wines, Dean Howell, Matt Burfoot and James Stuart.

### **Masters Scratch**

Master scratch commences 20 February.

### **Masters handicap (Division 2)**

The MCC Seniors Handicap team had their first match against Federal on Thursday 6 Feb at the Belconnen Magpies GC. The result, unfortunately, was 4-2 against us. Our champions were Mick Stiles and Gary Fitzpatrick. The course was presented in a reasonably good order considering the prevailing drought conditions. The matches were played in good spirit and were very closely contested. The host club, Belconnen, provided each of the teams with drink vouchers.

Our next match is against Capital at Yowani.
