

Men's Pennants roundup for the week ending 15 March.

A Grade (Division 1)

Our A grade side played at home this week assigned the tough ask of taking on the competition leaders Gungahlin, massive thank you to Rosco, Cam and the team for setting up a challenging blue course with freshly mown greens and new holes cut on the day giving the team an advantage - the greens and surrounds were fantastic with the rest of the course recovering rapidly.

Gungahlin had won 4 of their last 5 matches leading into the weekend, however the home ground advantage along with the team digging deep at home saw both Steve Harrison and Josh Campbell win convincingly, Aaron Shearing win on 17 and a very impressive come from behind victory to Joey Dean on 18 (Joey was 3 down at one point on the back nine). This gave our guys well deserved 4 to 2 win and our first for the season - Well done guys!!!

Thanks to Simon Potter for jumping up and helping the team this week, to Warren James who officiated the day and to Max and office for the admin and running of the day.

L TO R, Steve Harrison, Simon Potter, Josh Campbell, Dat Huynh, Aaron Shearing and Joey Dean

Next week is our last game up against Yowani on their home course.

A Grade (Division 2)

Our A Reserve pennants team played against Queanbeyan on Sunday at Fairbairn, the course was in great condition and we played well. We had a half, 3 all. We all played well. David Patterson won his match and he has not lost a match all season, Chris Rowe and Andrew Brient had good wins. It was a great match played in good spirit.

L to R, Warrick Manning, Chris Rowe, Marty Batchelor, Andrew Brient, David Patterson, Wayne Hennock

Next week we play at Gold Creek against Gold Creek

B Scratch

The B Scratch side took on Federal at Queanbeyan this week. The course is in great condition and there were close contests for the whole team with all matches going to the 16th or beyond. In the end we went down 3 1/2 to 2 1/2. Wins to Kar Yeow and Sean Ryan with a squared match to Christian Auzmendi.

Next week's match will be at Murrumbidgee.

B Handicap (Division 1)

A tough day out at Yass for the MCC Handicap team Vs Fairbairn this week, with a 3 1/2 - 2 1/2 loss in a strongly contested set of matches. A great win of 7/6 to Dean Howell, 2/1 to Brendan Egan and a square to Tony Gavran. Peter Wines went down on the 18th with Jim Carr and Ty Wines going down 2/1.

Yass provided drinks and a sausage sizzle, and although they have not had the rains we have had, their course was in fair condition.

We venture to Goulburn next week to play Yowani.

Masters Scratch

With 2 of our top 3 players unavailable this week we put up a gritty fight at home against Queanbeyan. Four of our matches went to the 17th, with two of those eventually decided on the 18th. A good effort but the result of 5/1 will see us miss the finals with only one round left to play.

We're off to Queanbeyan to play top of the table Yowani next week.

Masters handicap (Division 2)

The MCC Senior Handicap team did not fare well against Yowani 1 at Federal as we lost all the matches.

Our next match is against Crookwell at Gold Creek and we are hoping to post a better result.
